

B-17 Tour & fundraiser

July 27, 2024 - 11:00 am

Mike & Cheryl Kelner's

Mike bought this B-17 in 1984 after the plane was sold for scrap. The plane fuselage was cut with an ax into 9 pcs. & the wings were dismantled. Mike has been restoring it for 40 years. He has 1 full time employee and a volunteer crew that comes on Saturdays. To fund this project Mike makes antique airplane parts for other restorations and takes donations.

He has gracefully offered to give us a tour on July 27, 2024.
